

## ULLAPOOL COMMUNITY TRUST

### Pure Power for Lochbroom – Development Officer

Full Time Position

Salary: £24 000 pro rata (2 year contract)

**CLOSING DATE FOR APPLICATION - 12 Noon Monday the 29<sup>th</sup> of October**

Ullapool Community Trust (UCT) has secured funding from the Climate Challenge Fund to employ a development officer to take forward the Pure Power for Lochbroom project. The project aims to increase local awareness of energy efficiency measures and domestic renewable systems available and increase their uptake by offering assistance and support to local residents who are interested in reducing their carbon emissions and energy bills.

Therefore UCT are looking to recruit an energetic and self motivated individual who will, amongst other things - promote energy efficiency/renewable energy opportunities, organise and run awareness raising and training events, carry out home energy checks and support residents throughout the planning, tendering and installation process of domestic renewables/energy efficiency measures.

For a detailed job description/person specification, application form and further information please contact Ewan Young by email: [sustain@ullapoolcommunity.org](mailto:sustain@ullapoolcommunity.org) or phone: 07878 155 623 or alternatively come to the UCT office in the Ullapool Harbour Buildings. The job description/person specification, application form and further information can also be downloaded from the news section of the UCT website - [www.ullapoolcommunity.org](http://www.ullapoolcommunity.org).

This post will be funded by the Climate Challenge Fund for 2 years with potential for continuation if further funding is secured.
