

Community Asset Transfer Seminar

Stirling Enterprise Park, Stirling, FK7 7RP

Friday 25th January 2019: 10am – 3.30pm

Hosted by the Community Woodlands Association

Supported by Forest Enterprise Scotland

Objective

This one-day seminar is aimed at groups developing asset transfer requests under the Forest Enterprise Scotland Community Asset Transfer Scheme. The main target audience is groups with reasonably well developed plans, i.e. at the stage of carrying out feasibility. The event is intended to provide an opportunity for groups to talk through their proposals, share ideas and get feedback from both peers and advisors – it is not part of the formal evaluation or assessment process.
