

**Vandalism and Anti-Social
Behaviour
Networking Event
30th May 2008**

CWA are pleased to extend a warm invitation to you to join us at the Vandalism and Anti-Social Behaviour Networking event to be held at Dunfermline Athletic Football Club's Conference Suite, East End Park, Dunfermline, Fife, KY12 7RB. Directions can be found at <http://www.dafc.premiumtv.co.uk/page/directions/0,,10288,00.html>

This event will offer another great opportunity to network, highlight and discuss common issues and concerns, share your skills and experiences, and learn from the inspirational work of others.

This networking opportunity, aimed at members of community woodland groups and professionals working to support the development of community woodland groups, will be held on Friday 30th May. The focus of the day will be to explore the common theme of vandalism and anti-social behaviour in urban woodlands and why it happens, to share inspirational stories of how some community woodland groups dealt with their particular issues, and to share hints, tips and strategies that can benefit both the woodlands and the communities as a whole. There will be a mixture of presentations, site visits, information exchange and surgery sessions, all in all a very practical day! **So, please come prepared to share your own experiences.**

A draft programme is attached for your consideration, along with a booking form. **Please return your completed booking form as soon as possible (numbers are limited for the event) and certainly by no later than Friday 23rd May.**

We look forward to meeting you at the Networking Event. Please do not hesitate to contact me if you require further information.

If you require further details please call Caron Hughes on 01592 784489 or e-mail caron@communitywoods.org
