A community woodland group with a story to tell and a site to show which still bears the scars of the serious damage it has experienced.

1.15pm LUNCH

2.00pm Surgery Sessions

The surgery sessions will be one to one sessions booked at registration (this is an optional activity). Meet the experts to discuss specifics related to your own individual issues/situation.
Please come prepared!

There will be four sessions running concurrently – the themes will be:

- Project development & funding opportunities
- Awards & Initiatives
- Forest Schools
- Arts, music & crafts

There will also be opportunities for informal networking, visiting displays and talking to stall holders, identifying additional support available, gathering information on specific solutions to issues, gathering/sharing of information, exchanging contacts etc

Tea/Coffee/Cakes will be available from 3.00pm

3.45pm Seminar Round Up

4.00pm Close

**This event has been funded by the Forestry Commission Scotland
Central Conservancy and the Seedcorn Fund**
