

**Making Sustainable Places:
Green networks, empowered communities
Rothes Halls, Glenrothes, Fife
Friday 7th Nov 2008**

The Community Woodlands Association Annual Seminar

We are pleased to extend a warm invitation to you to join us at the Annual Community Woodlands Seminar at Rothes Halls, Glenrothes, Fife.

This year's seminar will offer another great opportunity to network, share your skills and experiences, and learn from the inspirational work of community woodland groups, agencies and other support organisations.

The seminar day is aimed at professionals working to support the development of community woodland groups. The focus of the day will be on community involvement in managing urban woodlands, the benefits to communities and the environment and the ways in which this can be achieved. There will be a mixture of presentations and workshops demonstrating successful approaches used and issues which are being tackled through current project work.

**Please return your completed booking form and payment as soon as possible.
Please contact me if you would prefer to be invoiced for the event.**

Associate members of CWA are entitled to attend the seminar for £50. All delegates from non member organisations can attend for £100. Associate membership is available to organisations working to increase the involvement of community groups in the woodlands for which they are responsible. Please contact me if you would like to know more about CWA membership.

If you wish to attend the members' conference to be held on Saturday 8th and Sunday 9th Nov please contact me for availability.

We look forward to meeting you at the Seminar. Please do not hesitate to contact me if you require further information.

Yours faithfully

Caron Hughes
Development Officer
